Business Mentoring from Experts & Industry Leaders

Gain valuable insights and guidance from seasoned mentors with extensive industry experience. Our experts help you navigate complex business challenges, refine strategies, and unlock your venture's full potential.

Professional Training & Development

Empowering individuals to build the skills and knowledge necessary for success in their chosen professions. The program includes hands-on training, industry visits, and exposure to corporate environments, ensuring practical learning and real-world experience.

Investor Connect & Financial Support

We assist in securing funding for projects by connecting entrepreneurs with a wide network of financial institutions and investors. Additionally, equity support is available through Laghu Udyog Bharati's extensive community of entrepreneurs across India, ensuring your venture gets the financial backing it needs to thrive.

Marketing Linkage & Assistance

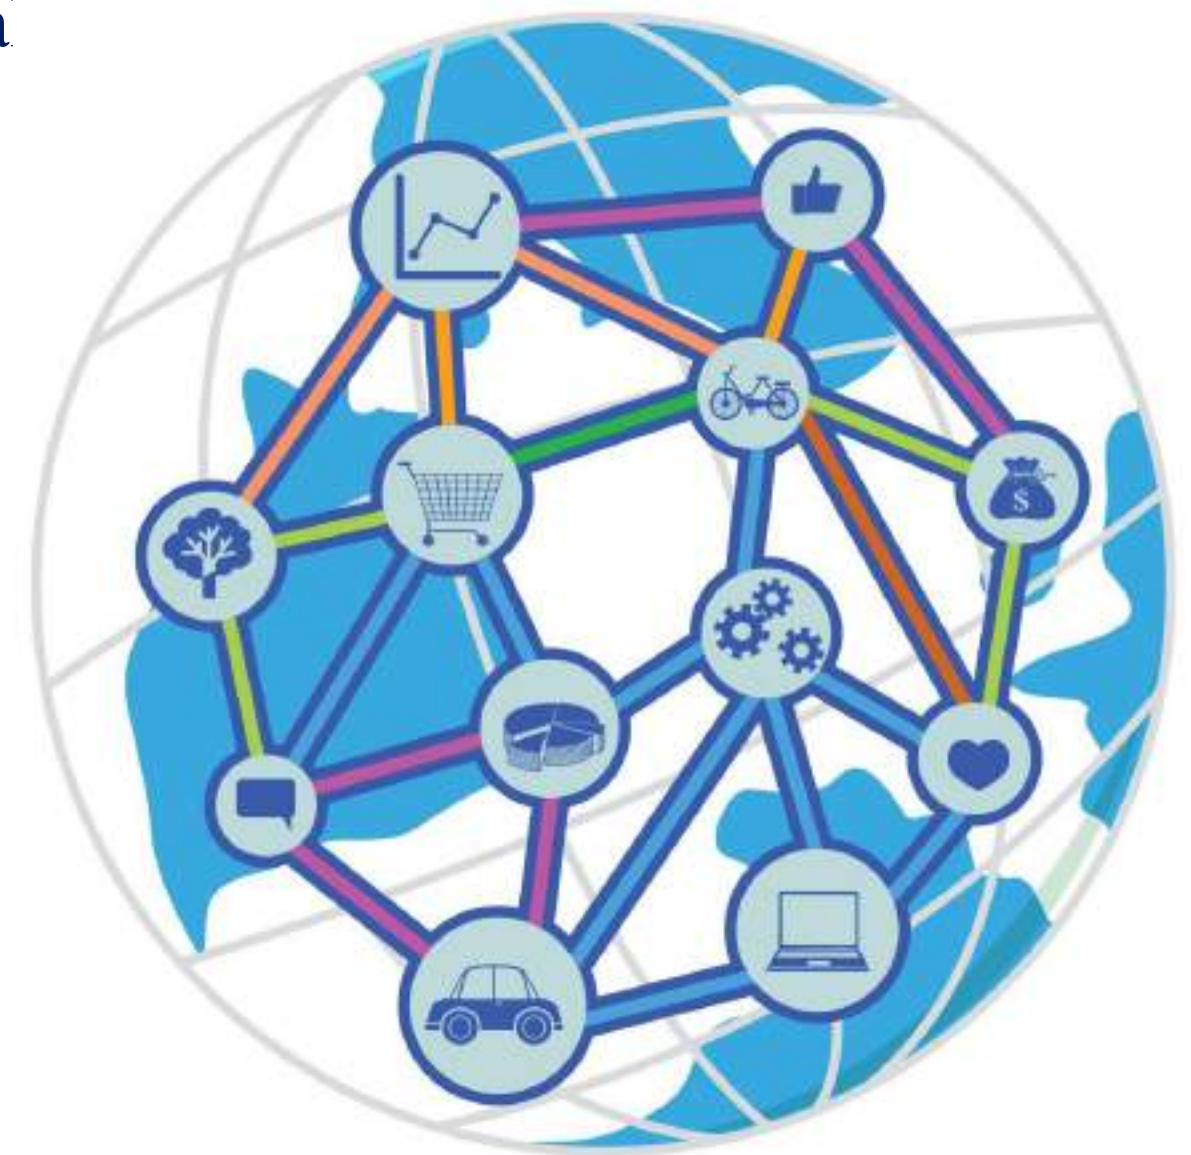

Expand your reach with comprehensive marketing support through national and international platforms:

Exhibitions: Participate in exhibitions designed to showcase and promote your business.

National Industrial Fairs: Gain visibility at major industrial fairs across key cities in India.

International IMS in Bangalore: Explore global opportunities at the prestigious International IMS event in Bangalore.

Swayamsiddha Exhibitions: Feature your business in renowned Swayamsiddha exhibitions held in prominent cities nationwide.

Modern Workspace & Infrastructure

We provide all the essential resources, information, and tools required to foster business growth. Our state-of-the-art facilities are designed to create a productive environment where entrepreneurs can focus on innovation and success.

Strategic Industry Partnerships

With the backing of over 50,000 entrepreneurs as members, Laghu Udyog Bharati offers a robust platform for driving innovation and growth. These partnerships connect businesses with industry leaders, fostering collaboration and creating opportunities for transformative success.

1-Year Incubation Program

Laghu Udyog Bharati offers a comprehensive 12-month incubation program tailored for entrepreneurs with early-stage technology or manufacturing ideas. This program focuses on fostering innovation, enabling the creation of new products and services, and nurturing participants to evolve into successful entrepreneurs.

Key benefits include:

Technology Validation: Ensuring your idea is market-ready and feasible.

Mentoring & Guidance: Expert support to refine strategies and navigate challenges.

Pilot Opportunities: Testing and validating your product in real-world scenarios.

Go-to-Market Support: Assistance in crafting effective market entry strategies.

Industry Linkages: Connecting startups with key players for growth and collaboration.

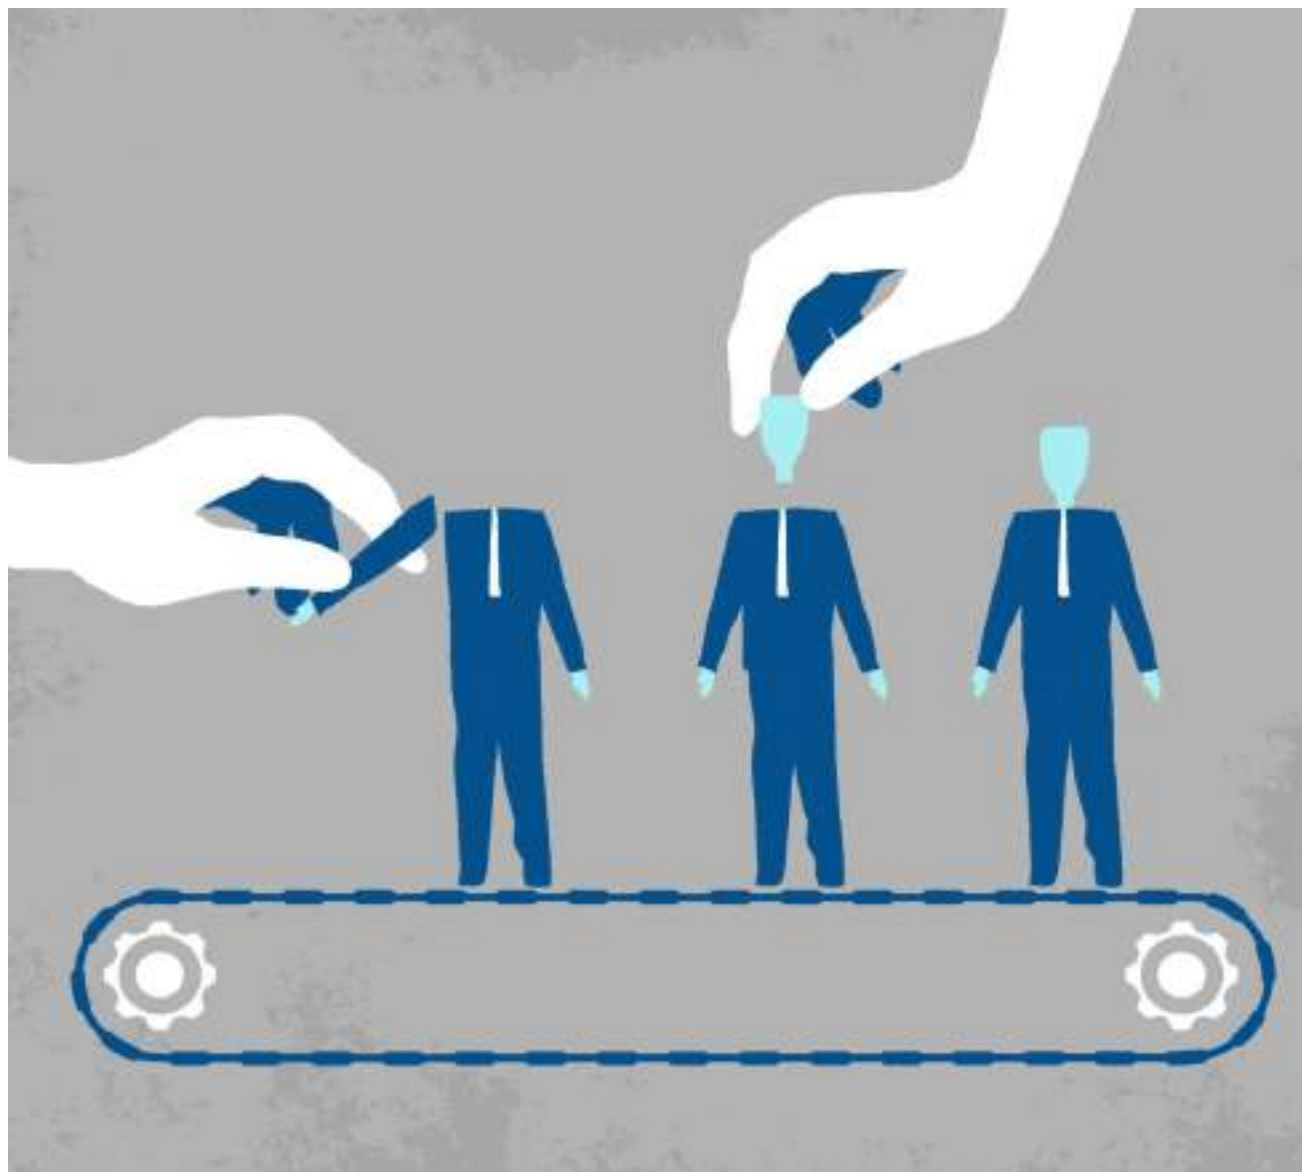

Eligibility

This program is open to entrepreneurs, individuals, or groups who are passionate about working on innovative products, services, or processes. If you aspire to turn your ideas into reality and achieve your dream of becoming a successful entrepreneur, this is the opportunity for you.

Selection Process

Application Review: All submitted applications will be thoroughly evaluated by the LUB Evaluation Committee.

In-Person Discussion: Shortlisted applicants may be invited for an in-person discussion to present their ideas.

Approval & Registration: Upon approval of the committee's recommendations, selected candidates must complete the registration process by signing an MoU with LUB to officially join the program.

Co-Working

Enjoy a collaborative and resourceful workspace designed to foster growth and productivity.

- **Affordable Charges:** A nominal monthly service fee is applied for the first 6 months.
- **Extended Utilization:** Beyond 6 months, a utilization charge of ₹3,000 per person, plus applicable taxes, will be levied.

Our co-working setup ensures entrepreneurs have access to an efficient and cost-effective workspace during their incubation journey.

Extension

At its discretion, LUB may allow companies to extend their stay for an additional period of up to 6 months, providing continued support and resources to help them scale and succeed.
